

Congratulations!

B.R. Kreider & Son's employee, Rich Halbleib, was honored as the winner of the ABC Keystone Chapter "2008 Overall Individual Safety" award at the association's annual Safety Awards Dinner in April of 2009. Rich earned this recognition by taking the time to offer his assistance when he came upon a tragic vehicle accident. As he approached the traumatic scene, his heart led him to comfort a small child crying out for his mother. Rich comforted the child while waiting for the arrival of rescue personnel. The ABC organization is proud to honor this act of responsibility, kindness and respect to others.
