BMP Demonstration Lots of Pervious Surfaces

Project: Dauphin Co. Conservation District
Dauphin, PA

Client: Dauphin County
Dauphin, PA

Owner Representative:
John C. Orr
District Manager
717-921-8100

Project Overview:

B.R. Kreider & Son, Inc. provided removal of existing driveways and replacement of driveways with various types of pavement materials to demonstrate the many options of **pervious surfaces** that are available to be installed to meet the **new federal storm water regulations best management practices (BMP's) and pollution prevention requirements**. The project was managed and installed by a team of B.R.Kreider professionals from start to finish.

Results:

BR Kreider & Son, Inc. has been installing **pervious pavements** for various applications and designs for many years. We were pleased to help a client maximize their objectives for the project as a demonstration project. Plus as the site manager, we were able to efficiently coordinate and manage the site work to meet and surpass the client's schedule and budget.
